Website Design format

OVERVIEW

Before we start designing your website, we would like your input to help us improve your experience. I hope you will provide your own content for the website

GOALS (what is the goal of this website?)

1. Are you interested in providing content about your company?
2. Are you interested in finding customers for your company?
3. Is it both?

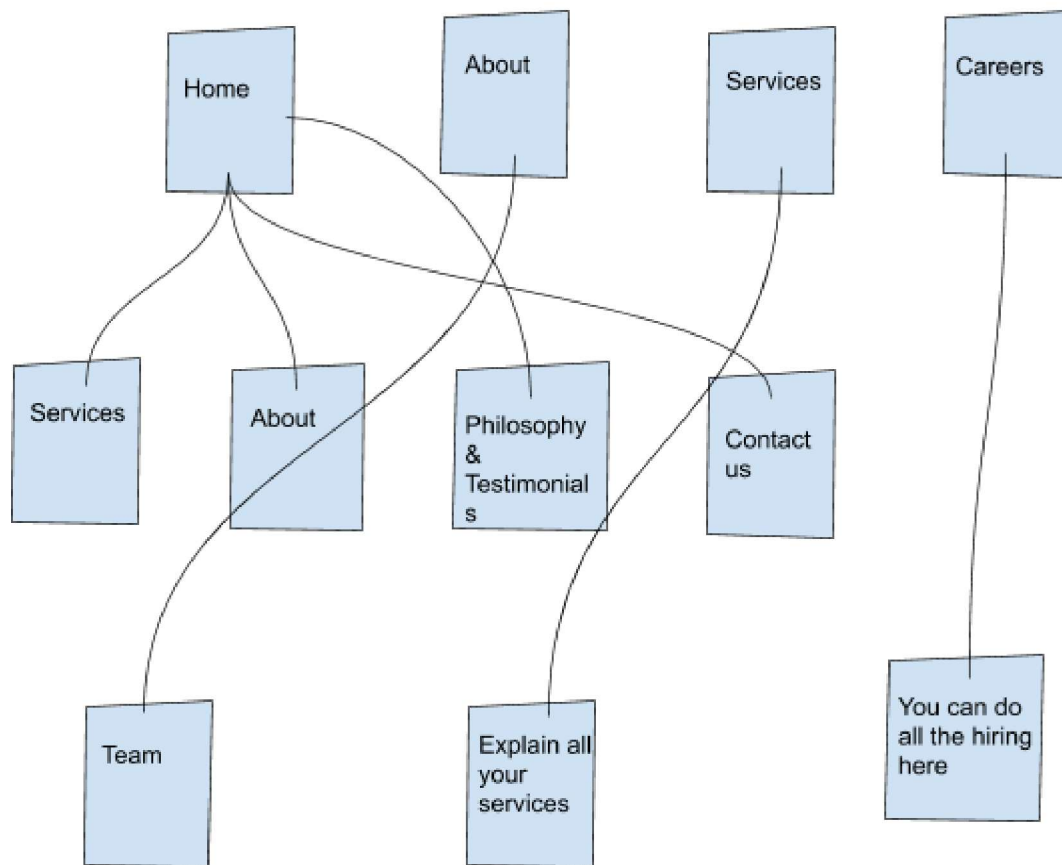

SPECIFICATIONS (what are the special needs that you have in mind ?)

In this space, you will write the things that are essential for your websites?

SIMPLE LAYOUT

Below is a simple layout of how many pages we will add on your website, if you wish to add or remove a page, let us know.

The content we need

DEMANDS

1. Your Logo? (original copy if possible)
2. Your address?
3. Email?
4. Phone address?
5. Social media?

We will communicate the rest of the demands as we build the website
